OBREGON TO HEAD REVOLT IN MEXICO

Expected to Stage Dramatic
Appearance as Active Leader
of Movement.

VILLA TO HELP NEW PLAN

Provisional Government to Be
Proclaimed From Sonora
or Sinaloa.

Special to THE SUN AND NEW YORK HERALD.
WASHINGTON, April 26.—Gen. Obregon, who is said to be the real head of the revolt which is making headway against the Carranza Government in Mexico, is expected within a short time to stage a dramatic appearance as active leader of the revolutionary forces. This will be followed by the organization of a provisional national government with Obregon as the military head. All of the different revolutionary movements which have been fostered by the Sonora State Government will then be correlated. It is expected.

It is planned to have Obregon make his appearance either in Sonora or Sinaloa and the moment this occurs the provisional government of the Mexican revolutionary movement will be proclaimed. It is not intended that Gen. Obregon shall assume the presidency. Some other member of the revolutionary movement, possibly Gov. De La Huerta of Sonora, will be proclaimed provisional president.

The initial statement made by Gen. Salvador Alvarado, who is in Washington for the Sonora Government, that in-

tervention would not be invited nor tolerated, is a recognition by the revolutionists of the possibilities involved in the present situation. The attitude of the United States, in the event that complications should arise owing to the dual authority that will be exercised in Mexico pending restoration of order, has not been decided upon.

It is expected here that coincident with the reappearance of Obregon Francisco Villa will once more make his appearance on the Mexican stage. In anticipation of this it is being planned to demonstrate that Villa was in no wise connected with the Columbus raid and was not implicated in the massacre of Santa Isabel. The story which is to be made public is that Villa had decided to disband his troops some time before the Columbus raid and that if this decision had been reached he and a small party were overtaken by a Carranza patrol and in the fight that ensued Villa was shot in the knee and seriously injured. At the time of the Columbus raid Villa is said to have been 250 miles from Columbus.

Certain American army officers are to be sold to be signposts of the fact that Villa was not in the Columbus raid and that if this decision had been reached he and a small party were overtaken by a Carranza patrol and in the fight that ensued Villa was shot in the knee and seriously injured. At the time of the Columbus raid Villa is said to have been 250 miles from Columbus.

Mexican advisers reaching Washington reported renewed rebel activity near Mexico city. Cuernavaca, capital of Morelos and a short distance from Mexico city, was said to be in the hands of the rebels and the railroad to the Federal capital cut. Mexico city officials were also said to have admitted finally that Gen. Carranza had gone over to the rebels with his forces in the State of Querro.

Man and Wife Found Dead.
John Youngman and his wife, Margaret, each 79 years old, were found dead yesterday morning in the kitchen of their home at 304 Evergreen avenue, Brooklyn. The aged couple were asphyxiated by gas which had leaked from a defective tube attached to a small range. A neighbor who detected the odor forced the door open.

SENATE RAISES 'PORK' BILL TO \$24,000,000

Sharp Fight in Conference
Now Expected.

WASHINGTON, April 26.—The Rivers and Harbors bill was passed to-day by the Senate after it had been amended so as to make the total \$24,000,000, as against \$12,000,000 in the House bill and \$20,000,000 recommended by the Senate Commerce Committee.

The measure, which was approved without a record vote, now goes to conference, where a sharp fight is expected. Both the Senate and House agreed to the general principle of a lump sum appropriation rather than specific grants for the various projects. No new work was authorized.

At the request of Senator Reed, Democrat (Mo.), Senator Harrison sought early in the day to amend the bill so as to make the total \$27,000,000, but this was defeated 26 to 28. Senator Harrison then proposed \$24,000,000, which was accepted after long discussion, the vote being 34 to 22.

DECLARE WAR ON MURPHY.

500 Men and Women Supporters
of Hines Start Offensive.

Five hundred men and women who attended a dinner given last night to James J. Hines, Democratic leader of the Eleventh Assembly district, pledged themselves to work for the impeachment of Charles F. Murphy. The pledge was not openly circulated at the feast, spread in Hines's Sunken Gardens, but nevertheless it was generally subscribed to. The opposition to the Tammany chief is based on his attempt to defeat Mr. Hines at the April primaries.

Mrs. Ernestine P. Stewart, associate leader of the district, in charge of the anti-Murphy campaign among the women. On the committee with her are Mrs. John Cuminsky, Mrs. Anna Delaney, Mrs. Hines, Mrs. Frances Thomas, Mrs. Anna Monday, Miss Jennie Meade and Mrs. Cathryn Elsie.
